

Demo Metal Works – bin tracking demo

Scan with the phone camera to open the app

<https://bintrack-demo.saarthios.online/login>

1. Scan the QR above with an Android phone and open it in Chrome.
2. Tap a role (Loading, QC, Dispatch ...) or log in as DEMO-QC etc. with password demo1234.
3. Tap SCAN and point the camera at any label on the next pages (allow camera when asked).
4. Use the yellow "Demo guide" button for step-by-step stories.

Labels marked in orange show a special situation (PM expired, blocked, grade C ...).

Data is fictional and resets every night at 02:00 IST.
